Nous poursuivons et terminons dans cet album la rétrospective des gags encore inédits de Boule et Bill, entreprise dans le numéro 16 de cette collection.

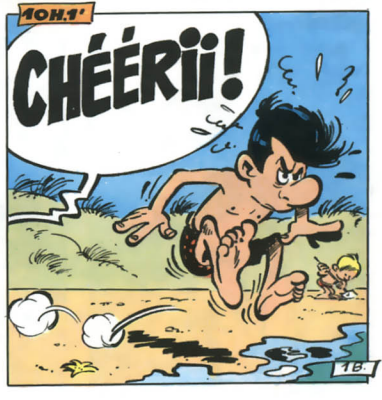

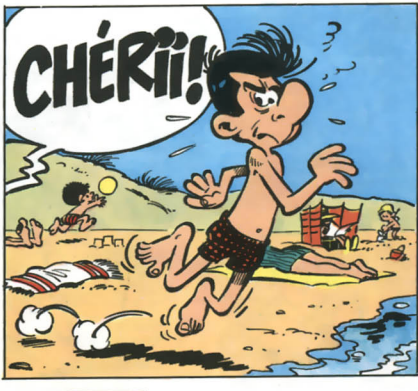

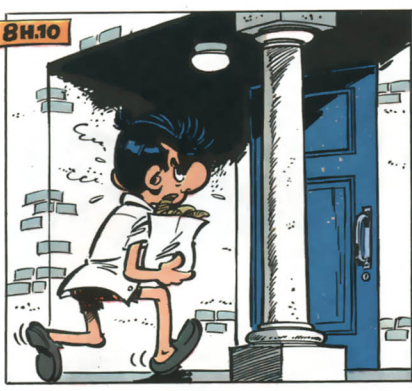

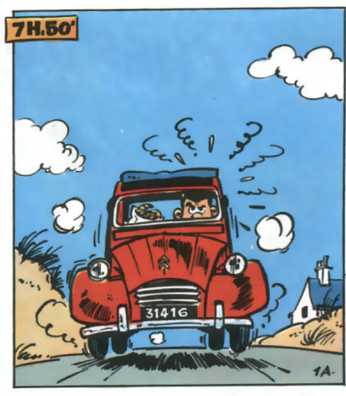

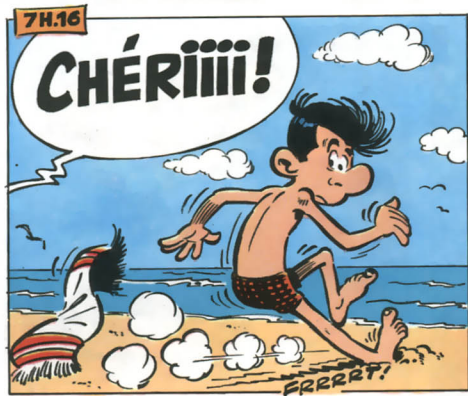

Pour débiter, la dernière histoire complète consacrée à nos héros, pratiquement inconnue de nos amis lecteurs français. Elle fut réalisée pour un SPECIAL-VACANCES (SPIROU n° 1576 du 27 juin 1968). Pour des raisons indépendantes de la volonté de l'éditeur, la distribution des hebdomadaires connut de gros problèmes à l'époque en France, et ce numéro spécial n'y fut diffusé qu'écourté, réduit à sa plus simple expression et allégé de ce récit, ainsi que de quelques autres histoires complètes formant le second cahier du journal.

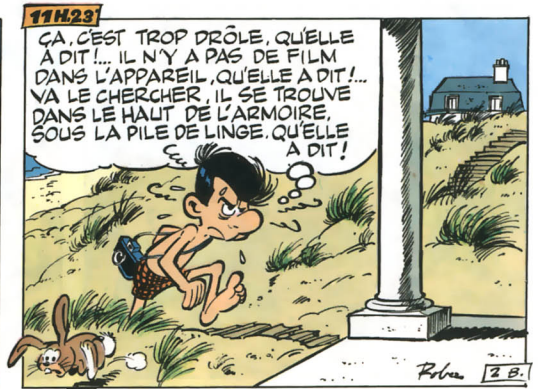

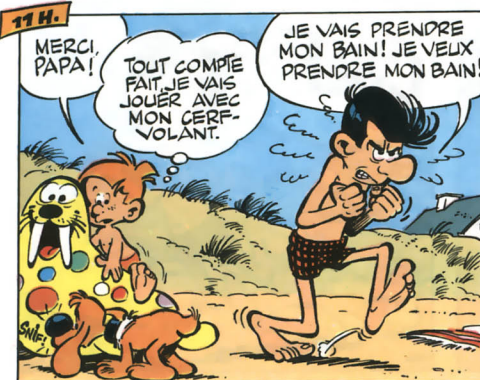

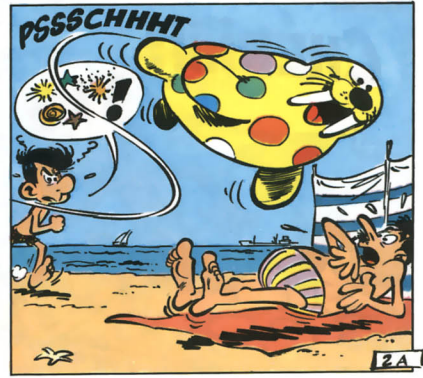

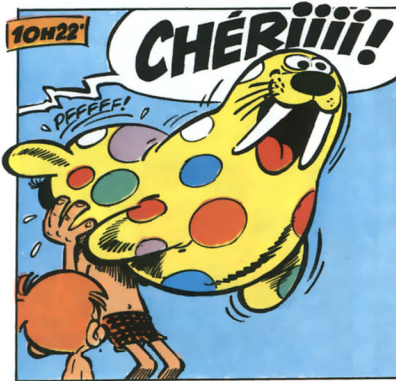

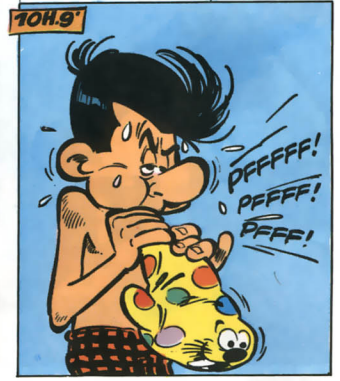

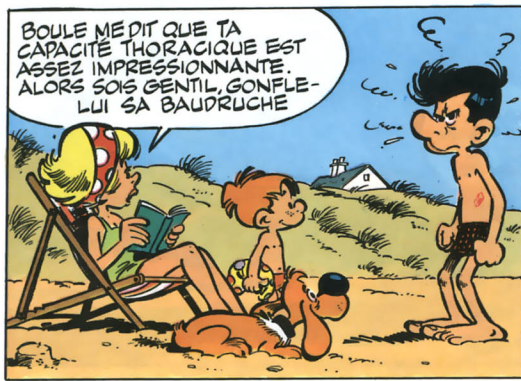

Vous découvrirez ensuite un festival de gags savoureux s'échelonnant entre la planche 161 (SPIROU 1329 du 3 octobre 1963) et 306 (SPIROU 1474 du 14 juillet 1966).

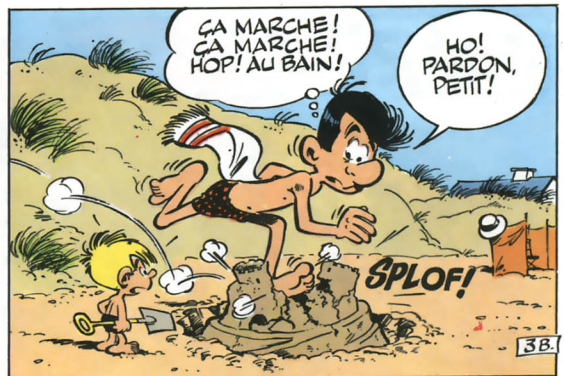

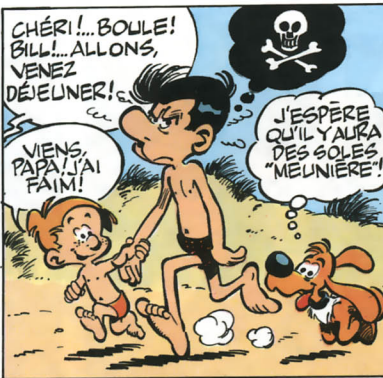

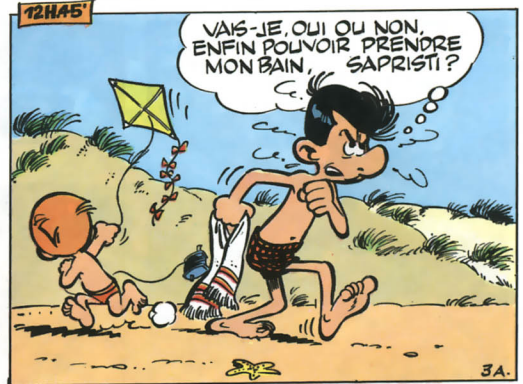

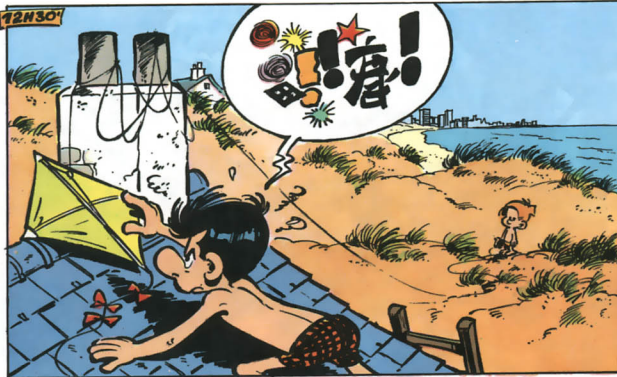

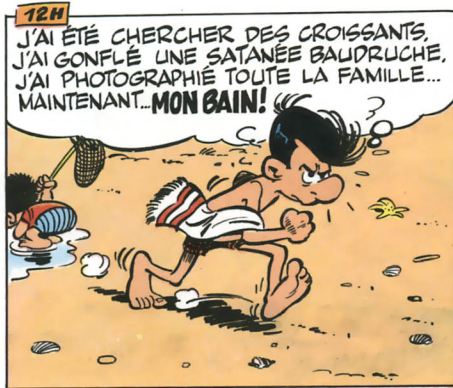

La dernière planche présentée dans cet album est une curiosité rarissime. Elle parut dans le SPIROU 1482 bis du 8 septembre 1966, petite publication de 20 pages, exceptionnelle, réalisée pour la Mutuelle Nationale des Etudiants de France (M.N.E.F.) et diffusée hors-commerce normal par celle-ci. Seuls de très rares collectionneurs, anciens étudiants de l'époque, ont gardé vestige et souvenir de cette fantaisie d'un jour.

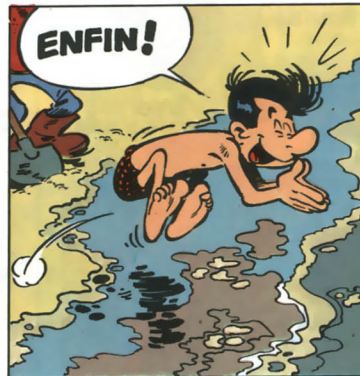

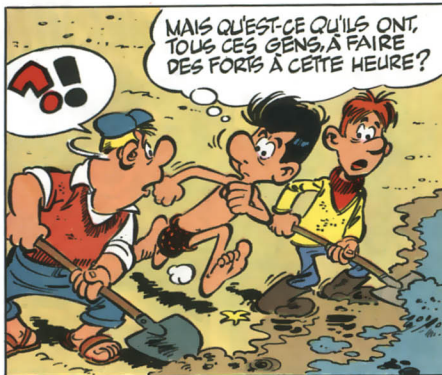

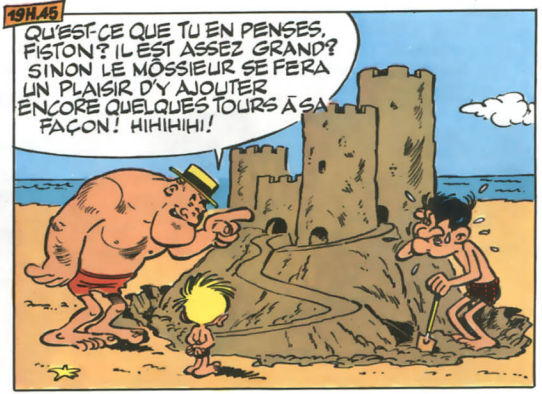

Voici ainsi la collection de gags de BOULE ET BILL complète... jusqu'à la parution du prochain album de gags récents que Roba cisèle pour SPIROU. A bientôt le n° 18 !
